Dear Mr. Todd:

This is to inform you that your enclosed anti-drug plan has been approved by the Federal Aviation Administration (FAA). Under the terms of this approval, you are authorized to begin testing covered employees immediately. Our previous approval of your plan (ID # E-SW-00099-U [D-SO-214]) is rescinded.

Federal Aviation Regulation (FAR) Part 121 Appendix I requires submission of semiannual and annual reports to the FAA. Your initial report should be submitted by February 15, 1992, and should cover the period from initial implementation through December 31, 1991. A sample reporting format is enclosed for your use in preparing the required reports.

Please feel free to contact this office if you have any questions regarding this program. The identification number shown at the top of this letter should be included on any correspondence to the FAA concerning your drug testing program.

Sincerely,

  
William R. McAndrew
