

3 December 2021

Per CAAC guidelines and instructions, temporary approval has been granted to extend our present CAAC certificate so we may continue providing maintenance for our Chinese customers. This special approval expires 30 June, 2022. A copy of the specific approval by CAAC is below:

Dear Sir or Madam,

Based on CCAR145 regulation and your application for renewal approval from CAAC, the purpose of this letter is to formally inform you that CAAC agree your company continuing to provide maintenance work for Chinese customer with your present CAAC Maintenance Organization Certificate which should be expired on December 31, 2021. This temporary approval is valid until you have received any other formal approval issued by CAAC or before the day June 30, 2022, which comes earlier. Your company may release Component after the maintenance work finished during this period by this Special Approval, and the working scope is limited to the Rating specified on the MOC and latest Maintenance Capability List accepted by CAAC.

Yours Sincerely,

LI Heping
Director
Continuous Airworthiness & Maintenance Division

Please contact Matt Kuba, matt.kuba@aero-precision.com, should you have any questions on this CAAC extension.

Sincerely,

Mike Clifton
Vice President of Compliance
